Kia ora, Talofa lava & Greetings

We warmly welcome Binara, Madden, Tram, Holly, Zhimeng, Leo & Layton and their families to OSCAR House Junior Morning Programme.

We trust you will enjoy your time with us!

We have had a wonderful term and it is lovely seeing the children arrive to morning care enthusiastic and eager to try new things.

Below is just a snippet of all the wonderful activities the children participate in.

We wish all our children and families a safe and Happy Christmas and Holiday Season and we look forward to an exciting 2018 at OSCAR House.

ART & CRAFTS:

Stained Glass Art

The children were very keen to create fancy designs however some had too much detail and that made it difficult to cut out.

Once cut out we put the cellophane on and they were ready to display.

Scratch Art

With crayons & pastels we all coloured our white cardboard with a variety of bright colours.

Then with a dark colour, we went over the whole page.

We used match sticks and plastic knives to scratch in our patterns.

Some fabulous and awesome ideas came from the children.

ORIGAMI

Cindy and the children made origami boxes, butterflies and fish. They looked amazing!

Several children took charge and taught staff and their peers how to make Origami Bats.

Halloween

This is a fun time for OSCAR children and they really enjoyed the celebratory treats.

They made spooky spiral ghosts that we hung in the main room archway.

Cindy helped the children wrap a lollipop in tissue paper; we then tied it with orange and black ribbon and after adding a face it produced a scary but yummy lollipop ghost!

GROUP GAMES:

We often end each session with a group game; this can be inside or outside.

BEAN GAME

Leigh recently taught us this fun new game and it is very similar to Simon says. Using names of different beans the children must perform a special action.

If staff call out Jelly Bean - they must wobbly around like jelly.

If the command is Broad Bean - they must stand up big and broad!

They must be careful not to be tricked by sneaky staff!

Pass the Bucket

Have you tried passing a bucket with only your feet?

We had loads of fun and lots of laughter when we tried this challenging game.

Paper scissors rock

Saanvi was so excited she won the Paper, Scissors Rock game and she said, "I've never won before" One happy child - smiling on her way to school.
