Tēnā koutou & Greetings,

This term we have welcomed Nixon White. We enjoyed having Henry, Peter and Alexa Annear with us for a few weeks.

Arts & Crafts

We made green slime with shampoo and corn flour. The children liked it so much they wanted to take it home. We decorated cans with colourful popsicle sticks. The children got creative with their designs. We also made paper darts and we tested them outside. The children had so much fun that they continued making them for another week.

Games

As we are getting warmer weather, we have been spending more time outside playing group games and going to the playground. On Tuesday afternoons we have an ex-Korokoro School pupil, Ben, come in and help run games. The children love playing stinga ball and parachute games. They also love playing fruit salad. We let the children choose what theme we have when playing ie desserts and vegetables. We played rob the nest, sack races and three-legged races. The children always love getting involved in group games. Sometimes we have girls against boys. The boys don't always win.

Fun Activities

The children also love the hair salon where they got different colours of hair spray on their hair. The children enjoyed having a Lego challenge and a playdough challenge. They all got involved and some even teamed up. Children enjoyed playing marshmallow bingo and Don't eat Pete. They also had fun colouring in Halloween pictures and making skeletons on paper. While watching a movie they got to put orange icing and sprinkles on biscuits.

Senior Space

The seniors enjoy playing Stingaball, Bullrush, Fruit Salad and Ultimate tag. They also help run group games and help handout afternoon tea.

I like running Fruit Salad because we get to run around and I also like Bullrush because the seniors are good at it – Lilly W

I like playing Stingaball it is really fun. I also like to play Bullrush, Ultimate Tag and Fruit Salad – Riya

REWARDS: The children have been working hard this term. We will be having an ice cream sundae bar on Thursday 14/12/17 for the children who earn the reward.

DATES FOR YOUR DIARY:

Week 9 Last day of the term: OSCAR House commences at 12 noon Friday 15th December and we will have an end of year celebration - a disco and party games.

We need to know whether children who usually attend Fridays will be attending or not attending. Please advise your programme Supervisor, sign form at programme or email by Friday 6th December 2017. Children who attend on Fridays will have priority; positions limited by staff/child ratios for children who normally attend on other days; casual attendees may apply (usual fees apply to casual attendees)

RE-ENROLMENT for 2017 OSCAR House

We will continue your child/ren's current attendance at OSCAR House with no further action required on your behalf.

If you no longer require care, please advise us now.

If you wish to change your days next year, please advise now at
dalena@oscarhouse.co.nz .

We are able to make changes as staffing & ratios allow.

Ngā mihi
The OSCAR House Korokoro Team,
Leigh, Nina & Juliet.
