

# MORNING OSCAR

[www.oscarhouse.co.nz](http://www.oscarhouse.co.nz)

Tēnā koutou & Greetings,

We have a really creative bunch of children at morning care - they absolutely loved the free craft week we had at the beginning of term. So much so that the ipad table looked a little lonely that first morning.

We had a whole box of goodies to create with. You can do a lot with pipe cleaners, boxes, pegs and a bit of imagination. Their creativity went wild as they made all kinds of special gifts, sweet wee boxes with messages for friends, decorated pouches for important stuff and a very stylish dolls house.

We have also made some cool door hangers - most had messages that instructed siblings to 'stay out', others said 'shhh serious work being done'. One child made a wonderful door hanger for their Dad, even creating a special "home for him to keep his new little sting- ray".

Have you ever played jungle speed? This is a gripping game and to do well you need to have lightning fast reactions but also be very sure to only grab the totem at the right time. The penalty for grabbing the totem at the wrong time is severe. You can go from almost winning the game to having all of the cards. This has been a huge hit at the morning programme; they have become quite competitive as they get better at recognising the cards.

Unicorns are still very popular and we are really looking forward to making these adorable unicorn holders next week.

Ngā mihi

The OSCAR House SAM Team

Bridget, Himanthi, Mariana & Wendy
